EcoTable-Q
Trapezoidal, semi-circular and circular table
with square tubular legs.

Frame consisting of an all-round rectangular steel edging with welded-on table legs made from square tubular steel, powder-coated with coloured epoxy resin. Table with levelling screws, glide elements for hard or soft floorings or universal glide elements, or with 2 or 4 (circular Table) lockable castors.

Table top made from laminated chipboard with plastic edge or highly rigid molded PUR edge. In some cases also with rigid CDF fiberboard.

The following material groups are available to choose from: Frame made of steel: M1; Top made of chipboard: L3; CDF-fibreboard: L4; Chipboard with laminate: L9.

Further products on this page: JUMPER Ply Four.
