## Series 800

### Magazine shelves for wall units and swing-door cabinets.

Magazine shelves are available in melamine-resin-coated chipboard and blockboard, each with glued-on plastic edges and slotted-in aluminium upturn. The shelves can be freely positioned by means of shelf supports in the holes and secured against slipping out. They are installed at an angle of 25°.

The following material groups are available to choose from: Bases made of chipboard: L3.
